

# PRESS RELEASE

## NEW PARTNERSHIP WITH SCANDI-TONER SWEDEN

December 15 2011

**KATUN, the global leader in color imaging toners and MediaSciences - its leading brand in business Color printers' supplies is glad to announce its new partnership with Scandi-Toner of Sweden.**

*"With this new partnership, we will reinforce our position into the Alternative Color market in Sweden where the demand for high quality color toners is expanding rapidly.*

*Scandi-toner with its large experience and its leadership in the Swedish market will supply its customers with our full range of Color products, 100% new built for all brands, solid inks and "reman" Color toners for use in HP printers, bringing remarkable cost savings opportunities to Scandi-toner customers.*

*We are looking forward to this close partnership and many successes in addressing the color market growth together" says **Christophe Capony - General Manager Strategic Development - EMEA KATUN.***
